

## Paris – The Chainsmokers

G  
We were staying in Paris  
Bm  
To get away from your parents and I thought, wow  
A  
If I could take this in a shot right now  
Gbm  
I don't think that we could work this out  
G  
Out on the terrace  
Bm  
I don't know if it's fair but I thought, how  
A  
Could I let you fall by yourself  
Gbm  
While I'm wasted with someone else

### [Chorus]

G Bm  
If we go down then we go down together  
A  
They'll say you could do anything  
Gbm  
They'll say that I was clever  
G Bm  
If we go down then we go down together  
A  
We'll get away with everything  
Gbm  
Let's show them we are better

G  
We were staying in Paris  
Bm  
To get away from your parents, you look so proud  
A  
Standing there with a frown and a cigarette  
Gbm  
Posting pictures of yourself on the internet  
G  
Out on the terrace  
Bm  
We breathe in the air of this small town  
A  
On our own, cuttin' class for the thrill of it  
Gbm  
Getting drunk on the past we were livin' in

[Repeat Chorus (2x)]
